

Norwalk Commons

Norwalk, Ohio

Where tradition and innovation meet.

Location & Description

Just 5 miles south of the Ohio Turnpike, Norwalk Commons is a mixed use development providing premier light industrial space in Norwalk, Ohio.

In addition to industrial acreage, Norwalk Commons also contains retail and entertainment options. An 8-screen movie theatre will be joined by restaurants, shops and residential developments in a park-like setting with tree-lined streets and paved walking paths.

Cost

Land is available for sale. Build to suit lease options are also available.
